About Us

Sunça Metal began manufacturing metal bathroom and kitchen accessories in Istanbul in 2014. In 2021, the Suntel brand was officially registered, combining a strong manufacturing infrastructure, an experienced team, and an R&D-driven approach to deliver functional and durable products.

Today, Suntel products are exported to more than 30 countries and reach consumers across Türkiye through both local and national retail chains. Continuously growing and strengthening its presence in global markets, Suntel ranked among the top 136 companies in the metal household products category in 2024 and among the top 1,000 exporters in İMMİB's metal category in 2025.
